Dear Eco-committee and School Council members,

Thank you so much for showing me round your school today. I was very impressed with everything you have achieved and I enjoyed talking with you all.

It is very obvious that you are all extremely proud of your school and everything you do to make a difference, not just in and around St Columb Minor, but in so many parts of the world.

I have worked in many schools over the last 30 years, but I think this is the first school I have been in where **everybody** was so enthusiastic about looking after the environment.

Your teachers and parents must all be very proud of you.

Yours sincerely,

Sue Reeve

Eco-school Assessor.
