

Governor Update

Hello and welcome once more to Autumn at Blue School!

Many of you will have already joined in the various activities involving your children that have been organised this term.

Let us hope this dry weather continues and everyone benefits from the autumnal sun. It was sadly lacking during our summer.

Please encourage your child to join our many clubs, children benefit greatly, learning new skills and having the chance to socialize outside of their class and also with other schools. Our dedicated staff give so much of their time and appreciate your support.

We at Blue School have started a support group for parents of children with special needs. This means any child with an Individual Education Plan. (IEP) We next meet towards the end of December so please check with Tamsin Irons or Lisa Burbidge (Governor responsible for children with SEN). I would very much like to meet you. Come and have a coffee and a chat about ANY issues involving your thoughts on how we might support you and your child. Mention this to a friend with similar concerns. I know how much is discussed at the “school gate” so come and share it with us PLEASE.

One other request, the Year 1 and 2 corridor to classrooms is VERY congested first thing in the morning. Children are requested to come from the external door on their own, but are overwhelmed by adults and pushchairs. Please leave your child at the door thus encouraging their feeling of independence. Thank you for your help in this matter.

We all young and old look forward to Christmas and school is a buzz with ‘yule time’ events. I look forward to meeting you at them later in the term.

Veronica Burbidge
Governor
